FOUNDATION

PRESENTS

BOOTS 'N
Bling
GALA

MAY 3, 2025 · CROCKETT FARM

Supporting public healthcare on Whidbey Island since 1981.

Through philanthropy, community advocacy, outreach, and innovative partnerships, our mission is to secure resources for access to high-quality healthcare for all, enhance patient care at WhidbeyHealth, and empower our healthcare professionals.

Our vision is to promote high quality and sustainable rural healthcare for all on Whidbey Island.

For 42 years, the Foundation has served as an advocate to improving the health and well-being of our

community and as a financial resource to WhidbeyHealth by leveraging philanthropy.

Philanthropy supports the purchase of new technology and equipment, facility improvements, and training enhancements for the medical team and employees. The Foundation's accomplishments are made possible through the generous donations and contributions from patients, their family and friends, and the greater community. All donations to the Foundation are tax-deductible to the full extent of the law.

WELCOME!

Welcome to Boots 'N Bling, an unforgettable evening in support of WhidbeyHealth Foundation! Tonight, we gather in celebration - not just of the incredible work being done at WhidbeyHealth, but of the generosity and compassion that make it possible.

Thanks to our incredible sponsors, every dollar raised this evening will go directly to the Greatest Need Fund, ensuring WhidbeyHealth has the resources to provide exceptional care where it's needed most. Your presence, your contributions, and your belief in our mission help us to make a lasting impact on the health and well-being of our island community.

On behalf of the WhidbeyHealth Foundation, thank you for being a part of this special night. Enjoy the evening knowing that together, we are making a difference.

With gratitude,
Rainy Simpson
Executive Director
